

Dear Parents,

The Nimitz PTA is continuing the Direct Donation campaign to raise funds required to support key programs and student and school community activities.

Some of the key programs PTA supported last year are:

- **Technology Specialist to work with all grade levels in the computer lab**
- **Art instructor for primary grades**
- **School assembly enrichment performances from professional artists**

The PTA needs to raise \$25,000 this school year. 24% of the Nimitz families have already contributed generously so far and from them we have raised about \$15,600. We are still in need of about \$9400.

We are hoping rest of our parent community will step forward to support Nimitz programs by achieving close to 50% participation. **Our suggested donation is \$150 per child. Although, any donation amount is greatly appreciated and will help maintain PTA funded school programs. All contributions are confidential and tax deductible.**

If you have not donated yet, please step in and donate now in this holiday season before school closes for winter break and avail the federal tax deductions for this year when you file taxes next year.

If you have any questions, please email anand.arunachalam@gmail.com

Thank you for your support!
